Meet our Members

Upcoming Events

2010 Calendar

What to expect for the next event...

December's meeting is scheduled for Tuesday the 8th and we will hear about different leadership styles and how to adapt to them using different techniques.

The value of a SWE membership will be discussed, and tips on finding, recruiting, and involving prospect members will be shared.

On top of that there will be a Holiday Cookie Exchange so don't forget to bring 4-6 dozen of your favorite cookies, and copies of the recipe. There will be sampling on site and plenty to take home.

Please RSVP by email at Sylvia.Schonauer@kellogg.com or by phone at 269-420-7397.

Meet SWE Local Members

Nancy Marks

Title: Process Engineer

Education: BS Chem E, MS Mfg E

Why Engineering? My dad was an engineer and I was known for being much like him so it didn't seem unusual. Also, I wanted to make a good living for my family and I knew engineering would provide that for us.

Career Path: Army, College, Process Engineer at Post Cereals, Design Engineer and Process Engineer at Flexfab, More College, Process Engineer at Kellogg's

Proudest Accomplishment: Managed to keep the family in reasonably good shape.

First Job: Flight Dispatcher for Medevac Detachment

Perfect Day: Pretty much anything family oriented is far and away my favorite thing to do

Upcoming events – Mark your calendars!

About Mary C. Clor, the speaker for Decembers meeting...

Mary C. Clor is a SWE Professional Leadership coach. She travels the country providing training on many different subjects to SWE sections as part of an initiative to provide special learning opportunities to SWE members and to provide opportunities for members to develop leadership and management skills.

She holds an MBA from the University of Michigan – Dearborn, MS in System Engineering from Virginia Tech, and a BS in Mechanical Engineering from Oakland University. She is currently a manager with Chrysler.

In 2007, she received SWE's Distinguished New Engineer award!

SWE Regional Events

Don't miss the opportunity to attend the Region H Conference "Persevering Through the Years" at the University of Illinois at Urbana-Champaign from January 29th to the 31st. The registration dead line has been extended until December 15th.

"Persevering Through the Years" serves to celebrate the achievements of women engineers as a result of their perseverance through ever-changing academic and professional environments. Every aspect of the conference is designed to help participants define their personal success and determine the necessary steps to achieve their goals, no matter where their ultimate aspirations are. The conference includes workshops, networking events, a career fair, tours, and keynote speakers to promote collaboration and development among participants

Register at: <http://swe.ec.uiuc.edu/regionh2010/index.html>

Single occupancy professional registration is \$250; double occupancy is \$150 each. Registration includes 2 nights' lodging, all networking events, and Saturday programming. Saturday day-only registration is \$60. (Excludes lodging)
